## think about it

by emily wood

Lately it's been really cold here in Sudbury and you can see the exhaust from all the cars that fills the air. It's kind of shocking actually, but the really scary thing is that all of that exhaust is released in to the atmosphere every single day by millions of cars all around the world. What can that be doing to our planet?

Think about it.

## winter performance series

by emily wood

Congratulations earthdancers!!

Your hard work and beautiful dancing made our 3rd annual Winter Performance a huge success! Despite the bad weather a lot of people made the trip out to Thorneloe Theatre on December 6th, and with their generous contributions the show and bake sale raised a grand total of \$1,588.

## Thank you!

We would like to extend a huge thank you to the families and friends of earthdancers!!

Thanks to all your support, our fall studio bake sale and 3rd annual Winter Performance were greatly successful.

We appreciate you!

## earthdancers 2009

by emily wood

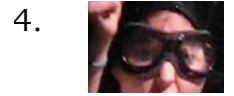

*earthdancers 2009* is coming up soon! On April 17th and 18th we will be presenting our annual spring show. Some of you may have already started learning new choreography, or maybe you are looking forward to starting soon. Remember, though, to put on a successful *earthdancers* show we also need the help of generous sponsors from throughout the Sudbury community. So enjoy your dancing and continue talking to our sponsors!
